Subject: **Termination of NPDES Permit Tracking Number TNG110420  
APAC Tennessee Inc. - Nashville Concrete Plant  
Whites Creek, Davidson County, Tennessee**

Dear Mr. Swan:

This letter is to inform you the Division of Water Resources (division) is terminating the above referenced permit coverage effective as of the date of this letter. As stated in your e-mail, activities at 3112 Blevins Road that required an NPDES permit were discontinued in March 2016.

Please note that all discharges of storm water runoff and process wastewater associated with Ready Mixed Concrete Facilities require an NPDES permit from the division. Therefore, if you should decide to again discharge, you should submit an NOI in accordance with the requirements of the NPDES at least 30 days prior to the starting of any activities. A copy of the NOI form can be obtained at <http://state.tn.us/environment/permits/concrete.shtml>.

If you have questions, please contact the division at your local Field Office at 1-888-891-TDEC; or, at this office, please contact Mr. Jim McAdoo at (615) 532-0684 or by E-mail at [Jim.McAdoo@tn.gov](mailto:Jim.McAdoo@tn.gov).

Sincerely,

A handwritten signature in blue ink, appearing to read "Vojin Janjic".
